

## Teacher's Highball

- **1.5 oz Teacher's Highland Cream Whisky**

- Sparkling water, club soda or tonic water
- 1/2 oz lemon juice or grapefruit juice
- Optional garnish: cucumber ribbons, citrus twists or rounds, herbs

Add ice to your highball or large wine goblet as well as your choice of garnish to the glass if you want to use cucumber ribbons or citrus twists and/or rounds at this time. Then add 1.5 oz of Teacher's blended scotch, .5 oz fresh citrus juice and top with club soda, sparkling water or tonic water. If you didn't already put your garnish into the glass or goblet, you can just simply top with a citrus twist or herbs like sprig of mint or rosemary.
